A Publication of Central Oklahoma Classic Chevy Club September 2025

Good Afternoon COCCC Members,

You're probably tired of me expressing love and appreciation for my Father's rough passage to the United States of America. Sorry, but I have to go there again. I often thank God for my birth in the USA when relaxing in our home, cruising in Old Blue, and experiencing freedom of choice.

Friday evening, I became very ill and Saturday morning we confirmed I was COVID positive. I made internet inquiries and learned people of my age should immediately consult with doctors. I was able to reach a doctor on call who asked a few questions and then prescribed and ordered PAXLOVID. Paxlovid is a medication designed to control the severity of the virus and prevent the need of hospitalization.

Thanks to life in the USA, we can have immediate access to medical treatment, an ample supply of medications and the means to recover in clean and well stocked homes. Anytime we go to urgent care, hospitals, and dentists, we should consider the unfortunate people living in third world countries and their lack of medical care. If they are lucky enough to undergo dental or other emergency treatment, they often are treated without pain relief and they are the lucky ones. Imagine how much tougher they are than us. We complain if we feel the prick of a needle for vaccines or a supply of IV medications.

Thanks be to God for our birth place, our freedom, wealth, and the abundance of many other gifts this country offers us.

God please guide and continue bless America.

Humbly Submitted,

Tom Linn-Lim

September's Featured Car

The Burke's 56 Bel Air at
Bowling Green, Kentucky this
year.

Next meeting is at Johnnies in Moore at 3 pm on Sunday September 14th.

CENTRAL OKLAHOMA CLASSIC CHEVY CLUB
